Make A Difference – Volunteer Your Time

Your time can help families with young children in
Shellharbour Community!

Our volunteers are required to undertake a free preparation course to train them in best practice and current techniques in caring for an infant before being placed into our programs.

Preparation classes will commence the end of October – November dates to be confirmed. Morning Tea and lunch supplied.

Volunteering provides opportunity for:

- Self Development
- Community Involvement
- Helping Others
- Meeting New People
- Work Experience
- Career Advancement
