

FAMILY PARTNERSHIP MODEL REFRESHER – 1 DAY WORKSHOP

Focus on FPM using FPM tools

This interactive one-day workshop will focus on reviewing the Family Partnership Model (FPM) and exploring how to implement it effectively in practice.

Participants will be introduced to both the FPM family resource tools and reflective practice tools, with opportunities to apply and practise these during the session.

What to bring:

- Your copy of the FPM Reflective Practice Handbook (available for purchase from Karitane Education admin on the day if needed).
- A clinical experience to share during the skills practice sessions.

This workshop is designed to deepen your understanding of FPM and strengthen your reflective practice skills in a supportive learning environment.
