

NEW 4 DAY FAMILY PARTNERSHIP MODEL FOUNDATION TRAINING

Workshop Overview:

This course is designed to provide core training on the Family Partnership Model - an evidence based, advanced communication course facilitating genuine and effective engagement with families. This model provides a framework for developing a consistent approach to working with families, identifying strengths and empowering families to facilitate change.

This internationally recognised course is interactive, utilising explorative discussion and delivered within a shared, experiential learning environment over 4 days. Participants are actively encouraged to bring clinical and personal reflections about their observations and clinical experiences as well undertake the home tasks of recommended reading and short practice strategies.

Course Outcomes:

- Demonstrate knowledge and skills of working in Family Partnership Model
- Gain confidence in working with complex families
- Opportunity to participate in an experiential learning environment that facilitates reflection
