

FAMILY PARTNERSHIP MODEL: FACILITATOR TRAINING UPDATE

Strengthening the Future of FPM Facilitation

Join Karitane's 2-Day FPM Facilitator Update and be part of an exciting new chapter for FPM in Australia. For over 20 years, Karitane has led Family Partnership Model (FPM) training and implementation across NSW. This update will support facilitators transitioning from the 5-day FPM Foundation Training to the new endorsed 4-day FPM Foundation Training, ensuring alignment with contemporary FPM practice and facilitator standards. From February 2027, 5-day FPM Foundation Training will no longer be approved for delivery, across Australia.

What's New?

- Introduction to the new 4-day FPM Foundation Training
- Updated facilitation approaches and resources
- New concepts for recognising and managing challenges in partnership work with families
- Practical strategies to strengthen engagement and navigate complex conversations

Why Attend?

- Refresh and strengthen your FPM facilitation skills
- Maintain endorsement to facilitate FPM training
- Build confidence in responding to challenges when working with families
- Connect with experienced FPM Facilitators across NSW
- Help shape the future of FPM training and implementation
- Support fidelity in training delivery
